THE PRESIDENT'S MESSAGE

By Eric Hubbard

May 1999

Hope everyone's taking advantage of the wet ground. I've been amazed at how sensitive my machine seems to be lately. I'm finding things in areas I've hunted in dry weather with no success. Don't forget this next meeting isn't in the Redwood Center, it will be at the Benson Gristmill between Lake Point and Stansbury Park. I think it will be an interesting tour.

I checked with our Historian in answer to one of our members question about publishing our clubs financial standing. It's available for any current member to see by making an appointment with Linda, our Secretary.

Also on the subject of club business, the board needs to know what our members are thinking, if you have any ideas or suggestions about what the club should be doing or what directions we should be going in, please talk to someone on the board. Or write us a letter. Our mail comes to us in care of Bob's Shop, "All About Coins", if you want to do it anonymously that's o.k. too. The main thing is that we know what you the members want. Other wise we make the decisions as a board. Or if you feel very strongly about something please run for an office in the club.

I hope I'll see all of you at the Lucine Club hunt this weekend, if not then at the meeting next Thursday.

Eric
